

Commonwealth Dentistry

In-Network Providers

We are participating providers for the following insurance companies:

- Aetna PPO
- Anthem Blue Cross and Blue Shield
- Delta Dental Premier
- Cigna PPO
- Connection Dental / GEHA network
 - (Including all plans under these networks)
- United Concordia
 - (With the exception of Tricare)
- Zelis / Marverest / Stratose network
 - (Including all plans under these networks)

Effective May 21, 2018 Commonwealth Dentistry will no longer be an in-network provider for Metlife. In most cases this will not affect your coverage for preventative services.

We are always happy to submit claims for services rendered to your insurance provider regardless of our network participation.

If you have any questions or concerns, please do not hesitate to speak with our administrative team members. We thank you for allowing us to be a partner in your health care!
